Select Season Application

What is the Select Season?

The Select season is a program following the Fall season open only to players who participated in the Fall season, in U10, U12, U14, U16 & U19 divisions. This is an opportunity for players to improve their skills in a more competitive environment. Players who are interested should turn in this application to your coach and send an email message to select@mdsoccer.org **no later than October 4th**. The teams are drafted in November, with practices starting no earlier than December 1st. The season typically runs from January through March, although many teams continue to participate in tournaments afterwards (usually through the end of May).

Criteria for the Select Season:

All eligible players (U10 and above) are encouraged to apply! Please note that to be eligible for the Select season a player must be enrolled in the prior Fall season and must have participated in at least 50% of their team games. You may only participate in Select in the same division that you participated in during the Fall season.

The number of teams that will be formed in each division varies from year to year. In general, you can expect roughly 1 Select team for every 6 Fall season teams. You will travel more than you do in the Fall, as the league could involve teams from Davis, Stockton and Rio Vista, as well as Winters, Rio Linda and Antelope (and possibly others - this may vary from year to year).

A high level of commitment is expected from both the players AND the parents. Select is for enthusiastic and motivated players. For the good of the team, a player is expected to regularly attend practices and games. Parents are also expected to participate in league organization, particularly in the running of the Select Tournament and Concord Cup.

Since Select teams are limited, some players who express interest **may not be selected to participate**. Therefore submitting this form **does not guarantee** that your child will play. More information about Select may be found on MDSA's website: <http://www.mdsoccer.org/>. Questions regarding Select may be submitted to the Select Coordinator via email to select@mdsoccer.org.

Parents should expect to be notified by November 22nd if your child was selected (or not) to play.
